

EDUCATIONAL EXAMINERS BOARD[282]**Notice of Intended Action**

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 272.2, the Board of Educational Examiners hereby gives Notice of Intended Action to amend Chapter 13, “Issuance of Teacher Licenses and Endorsements,” and Chapter 17, “Career and Technical Endorsements and Licenses,” Iowa Administrative Code.

The proposed amendments update the current family and consumer sciences language to reflect 21st century skills and capacities. The proposed amendments also reflect updated career pathways and national standards for family and consumer sciences in career and technical education. The primary family and consumer sciences endorsement already carries the instructional authority of the related endorsements in Chapter 17; thus, the Board proposes to eliminate those endorsements.

Any interested party or persons may present their views either orally or in writing at the public hearing that will be held Wednesday, January 8, 2014, at 1 p.m. in Room 3 Southwest, Third Floor, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa.

At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the proposed amendments. Persons who wish to make oral presentations at the public hearing may contact the Executive Director, Board of Educational Examiners, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa 50319-0147, or at (515)281-5849, prior to the date of the public hearing.

Any person who intends to attend the public hearing and requires special accommodations for specific needs, such as a sign language interpreter, should contact the office of the Executive Director at (515)281-5849.

Any interested person may make written comments or suggestions on the proposed amendments before 4 p.m. on Friday, January 10, 2014. Written comments and suggestions should be addressed to Kim Cunningham, Board Secretary, Board of Educational Examiners, at the above address, or sent by e-mail to kim.cunningham@iowa.gov, or by fax to (515)281-7669.

The amendments are subject to waiver pursuant to 282—Chapter 6.

After analysis and review of this rule making, there is no anticipated impact on jobs.

These amendments are intended to implement Iowa Code section 272.2(1)“a.”

The following amendments are proposed.

ITEM 1. Amend subrule 13.28(9) as follows:

13.28(9) Family and consumer sciences—general. 5-12. Completion of 24 semester hours in family and consumer sciences to include coursework in human lifespan development, parenthood parenting and child development education, family studies, consumer resource management, textiles and or apparel design and merchandising, housing, and foods and nutrition, and foundations of career and technical education as related to family and consumer sciences.

ITEM 2. Amend rule 282—17.1(272) as follows:

282—17.1(272) Requirements for secondary level (grades 7-12) license. The initial license with the appropriate endorsement will be issued if the requirements of rules 282—13.6(272) and 282—13.18(272) for initial licensing have been met.

17.1(1) Secondary level career and technical endorsements. The following are required for adding secondary level career and technical endorsements to an initial, standard, master educator, or permanent professional teaching license.

a. to c. No change.

d.—*Consumer and homemaking education.* Completion of 24 semester hours in food and nutrition, consumer education, family living and parenthood education, child development, housing, home and resource management, and clothing and textiles. Four hundred hours of work experience in one or more homemaking or consumer-related occupations. Coursework in consumer and homemaking education to include methods and techniques of instruction, foundations of career and technical education, course and curriculum development, and evaluation of programs and students.

e.—*Career and technical home economics.*

(1) ~~Option 1. Completion of the requirements for consumer and homemaking education (see 17.1(1)“d”) and special preparation in the career and technical area or 400 hours of employment related specifically to the career and technical area.~~

(2) ~~Option 2. Completion of a baccalaureate degree with a major in the career and technical area, coursework in methods and techniques of teaching, course and curriculum development, evaluation of programs and students, foundations of career and technical education, coordination of cooperative programs and a teaching practicum (supervised or assessment of other teaching experience), and 400 hours of employment related specifically to the career and technical area.~~

17.1(2) and 17.1(3) No change.
